

IOSA Conformance Report (CR) Preparation • Renewal •

The IATA Operational Safety Audit (IOSA) program is an internationally recognized and accepted evaluation system designed to assess the operational management and documented control systems resident within an airline. All IATA members are required to be IOSA registered.

Benefits for Airlines

- ✦ AvMaSSI provides an independent validation of the airline's efforts to attain and maintain conformity
- ✦ AvMaSSI is able to provide expert resources to augment your internal Conformity Assessment exercise
- ✦ AvMaSSI ensures the IOSA vocabulary and processes are fully understood and practiced in day to day operations
- ✦ AvMaSSI can perform the Conformance Audit and completion of the Conformance Report as an independent activity supporting your overall Quality Program
- ✦ AvMaSSI provides guidance to the airline's resources to assure a deeper understanding of the intent of each ISARP
- ✦ AvMaSSI enables a more effective use of your limited resources by outsourcing the Conformance exercise

AvMaSSI and its cadre of current IOSA auditors provide expert support to enable your successful IOSA renewal. Our IOSA Conformance Report Service is customized to each of our client's operational and cultural needs. AvMaSSI can:

- ▶ Perform an Assessment of the Conformance Report and Program Supporting the Generation of Report
